WELCOME LAKE SCHOLARS, CLASS OF 2026!

Dear Parents/Guardians and Incoming 6th Grade Lake Knights:

I would like to personally welcome our incoming 6th grade students and their parents/guardians to Lake Middle School. The Lake staff is thrilled that you have selected our school to begin the important life passage to middle school. This is a critical stage in a student's life and it begins to shape who s/he becomes in the future. During your student's three years as a Lake Knight we will ensure that each student is academically prepared for high school and college options, as well as support her/him through this adolescent transition. Students will also be able to participate in a host of clubs, sports, activities, and make lifelong friendships during their years at Lake.

We have a parent/guardian meeting and fun social event planned for our incoming families. **Thursday, May 9th, 2019 is our New Knight Night** from 5:30 – 7:30 pm and a **mandatory New Parent/Guardian Meeting from 5:30 – 6 pm**. After a quick 30 minute meeting covering all you need to know about the transition to Lake, you will complete the registration process before joining us for fun, food, and games on the front lawn! (Please note that this event will occur as scheduled, rain or shine).

In order to secure your seat in our 6th grade class, **please plan to attend this event as it will be your only chance to complete 2019-20 6th Grade Registration at Lake Middle School.** Your student will also receive his/her summer homework assignments during the event! (This registration is for 6th graders only. There will be a separate registration for incoming 7th and 8th graders in August).

Please bring the following documents with you to Registration: your child's **birth certificate; proof of address** (Xcel or water bill, mortgage statement or rental lease) and your child's **immunization record**. Please also bring **check or cash payment for your student's fees (\$40.00)**.

Additionally, Lake Middle School is happy to announce that we will host **6th Grade Academy on August 5– 7, 2019, (Mon-Wed) from 8:00 am – 1:00 pm**. All incoming 6th graders are expected to attend. 6th Grade Academy will jump start the transition from elementary school to a successful middle school experience. We will have more information at Registration in May (New Knight Night).

We are looking forward to providing a smooth transition to Lake Middle School for all incoming 6th grade students. Thank you for supporting your child's middle school success.

Sincerely,

Amanda Stewart
Principal
