5th GRADERS – SHADOW AT LAKE

Lake offers the opportunity for 5th graders to spend time at Lake Middle School through Shadow Opportunities. Shadowing students are paired with a 6th grade Lake student, attend three classes with that student and get an inside look at student life at Lake Middle School. Shadowing is offered October through January on most Thursday afternoons from 11:55 am - 3:10 pm. **Please visit <https://tinyurl.com/lakeshadow> to request a Shadow opportunity.** Contact Jeannine Dicarantonio at 720-424-0376 or Jeannine_dicarantonio@dpsk12.org with questions. **Space is limited.**
